A Guide for Reading the Bible in One Year

I have used this Bible reading plan for many years. Here are my suggestions:

- The best day to start a Bible reading plan is TODAY. Whatever the date, jump on it.
- If you don't have time to read both Old and New testament selections, focus on the New Testament
- If you fall behind or miss a few days, don't try to catch up. Just skip ahead to today's date and start. Trust that next year you will read what you missed. In this way, every day is a fresh start!

Remember, you are not on this journey alone. I'll be reading the same sections as you. If you have a question, email or text me. If it is really involved, we can talk it through.

Thanks for joining me in our own Fellowship of the Empty Tomb. May God bless your reading!
